MEMORANDUM FOR: Deputy Director of Central Intelligence  
FROM: Director of Central Intelligence  
SUBJECT: Meeting with General Bernard Rogers

1. I had a good talk with General Rogers this week. This is his initial request for help in establishing the aggressive nature of the Soviet force in Europe. He decided to go out and do a lot of talking which I believe he will do well. He refrained from doing this before because he felt he fell under the shadow of Al Haig.

2. I think we should turn our minds to what we can do to meet the needs he specifies here and anything else that would help him out on the stump. I once had a collection of photography of river crossing equipment. I don't know whether it came from satellite platform or not. There may be other ways to get it. Give it some thought.
